Dear Mike,

As a result of the meeting in Littlestown on 3-25-88, we decided to write to offer our thanks to you for what you've done so far and the tremendous task that lies ahead. We would like to be helpful and so we offer the following information, which we know to be correct.

The population of Union Township is	1,978
The population of Littlestown Borough	2,877
The population of Hanover Borough	14,890
The population of the Metropolitan area of Hanover supplied with Hanover Water	30,110
Total	49,855

The above figures are from the 1980 Federal Census. Undoubtly current census would indicate greater numbers. The Longarm Creek Reservoir is well within the 3 mile radius from the Keystone Landfill - See enclosed map of this area -

Very sincerely,
Anna Colestock
