132066

DRAFT REPORT

Middletown Airfield Site

Middletown, Pennsylvania

Focused Feasibility Study
Volume IV - Appendices F - L

Under Contract with:

U.S. Army Corps of Engineers

215 N. 17th Street

Omaha, Nebraska 68102-4978

Prepared for:

Air Force Regional Compliance Office

77 Forsyth Street, SW, Suite 295

Atlanta, Georgia 30335-6801

1 JULY1996

ERM Program Management Company
855 Springdale Drive
Exton, Pennsylvania 19341

Appendix F
Risk Assessment Screening Output

Supplemental Studies Investigation
Soil Data Screening Results

ERM Data
Screening Against Industrial RBCs
for Carcinogenic Constituents
Middletown Air Field
Middletown, Pennsylvania

Sample Name	Parameter	Matrix	Collection Date	Value	Qualifier	Units	Industrial RBC	Ratio
BK-SB43(0.2-0.5)	Arsenic	SOIL	8/4/94	7.500		MG/KG	3.800	1.97

ERM Data
Middletown Air Field
Middletown, Pennsylvania

Area	Matrix	Parameter	Units	Number of Samples Analyzed	Number of Detections	Percent Detection (%)

Notes:

Background	Background samples
ERM	Soil and water samples collected during the SSI.
FPT	Samples collected near the fire training pit.
GF	Ground water samples collected from wells installed during the RI.
HIA	Ground water samples from Harrisburg International Airport production wells.
IAB	Soil samples collected near industrial area buildings.
IAL	Soil samples collected near industrial area lagoons.
IAP	Soil samples collected near industrial area wastewater pipeline.
Meade Heights	Soil, surface water and sediment samples collected in the wooded area at Meade Heights
MID-04	Ground water samples collected from Middletown Borough Authority production well.
NBL	Soil and water samples collected from wells located in the former North Base Landfill.
RA	Samples collected in the Runway area.
RES	Ground water samples collected from Residential wells.
RFW	Ground water samples from wells installed by RF Weston.
Susquehanna River	Surface water and sediment samples taken from the Susquehanna River near the site.
STSD	Storm Sewer sediment samples.
WRT	Ground water samples collected from wells installed by RE Wright.
(DIS)	Sample collected from the dissolved fraction.
