B19-47	Bookheimer, Terry	6 Nov. 90			2	3						5
B19-3	Bookheimer, Tom	6 Nov. 90		3	2	1.6 B						5

Qualifier Codes:
B: This result is qualitatively invalid as this compound was also detected in a blank at a similar concentration.
NA: An MCL is not available for this compound.
Note: No concentration is entered for compounds which were not detected.
* : Total VOC's does not include compound concentrations that have been designated qualitatively invalid (B).
:TCE Concentration is greater than or equal to the MCL, 5 ug/l.
