REMARKS

Approximately 4000 gal. of liquid ammonia was applied to a field on Mr. DeRewal's Property, According to Mr. DeRewal.

Valve on tanker was opened and ammonia flowed over field towards a pond on the property. Heavy ammonia odor noted in field, in pond, and along tire tracks sloping from field into woods + swampy area on property. Samples were collected here as well as along Lonely Cottage Rd.

Large amounts of ammonia appear to have reached state waters (pond on property). In addition this liquid ammonia was applied in such a manner as to pose a danger to state waters.

Inspection will be conducted tomorrow to determine what further problems or dangers to state waters may result as a result of this discharge.

VIOLATIONS

Placing pollution material in such a manner that it could + has reached state waters
